“United We Trail, Divided We Fail”

First of all, thanks to everyone who showed to the first meeting, we are off to a good start. Some people were already equipped with their membership form and money to kick things off. Thank you and please get the word out- everyone needs to do their part to keep the Greenville trail system alive and well.

Highway Clean-up - We would like to thank all the individuals who helped with the Adopt-A-Highway clean up, especially new comers Anthony Vande Hei and Tim Immel.

Volunteers needed - The idea has been tossed around that we might pick a weekend to set something up on the trail, sell hotdogs, hot chocolate, maybe beer and soda as well. It would be a way to interact with the public who use the trails and at the same time tote our club to them. We might gain some friends, some money for our club, and maybe even a few new members. Is anyone interested in organizing this event? Is anyone interested in manning the fundraiser? We could do it in shifts so no-one's whole day is spent on the project, but we do need volunteers. Please think about the best weekend to get something like this done. Bring your ideas to the next meeting and most of all - volunteer.

Christmas Party - Mark your calendar for the Green Knights Christmas Party on December 13!

Trail Marking - will take place November 14 and December 5. Those who own ATV's, sledge hammers, side cutters, nut drivers, cordless drill, chain saws, they are always needed. Please call Mike Plamann, 757-5020, if you plan on either date. If you have time in which you can mark trails on your own other than those dates, give Mike a call and he can help you get set up.

Ski-Doo Open House: Fill out the certificate available at ski-doo.com and bring it to your local Ski-Doo dealership before November 15, 2009. Your dealer will then donate \$10 cash to your snowmobile club!
